# DARIUS GOES WEST

Thursday [**Sept 23**]  
7 p.m.

In this multi-award-winning film, Darius Weems, a 15-year-old living with Duchenne Muscular Dystrophy, leaves home for the first time in his life with 11 of his friends. They set a course for California, hoping to convince MTV to customize Darius's wheelchair on the show *Pimp My Ride*. The result is a testament to the idealism of today's youth, and a vivid portrayal of adventure, brotherhood, and the character it takes to shed light on an uncertain future.

**Running time: 94 min.**
