**SUSAN B. ANTHONY** —————  
*Rebel for the Cause*

Celebrate Women's History Month with the A&E *Biography* program *Susan B. Anthony: Rebel for the Cause*. Interviews with historians, illustrations, photographs, and dramatizations document the life and legacy of suffragist Susan B. Anthony. The trailblazing feminist leader persevered in the face of mockery, threats, insults, and arrest to realize her ambition: voting rights for women. Although Anthony died before passage of the 19th Amendment enfranchising women, her crusade forever changed America's political landscape.
