DONOR INFORMATION

The bulk of the Thomas Anderson Moore Papers was donated to the Missouri Historical Society by his daughter Mabel Moore Jones in 1951. In 1996, Patricia Davidson-Peters donated additional papers to the collection (accession number 1996.258). Items from the Davidson-Peters donation are so noted.

BIOGRAPHICAL SKETCH

Thomas Anderson Moore was born October 31, 1838, in Scion, Harrison County, Ohio. He married Clara Pilcher (1845-1890) shortly before his enlistment in the Union army in the Civil War. During the war, Moore served with the 33rd Missouri Infantry (Union), and was seriously wounded on July 4, 1863, at Helena, Arkansas. Following the war, Moore worked as a carpenter in St. Louis. He died June 16, 1915, in Kirkwood, Missouri.

SCOPE AND CONTENT NOTE

The Thomas Anderson Moore Papers consist primarily of correspondence documenting family affairs and the Civil War from 1862 to 1865. The papers are arranged into three series: **Moore Family Correspondence Series**, **Moore Family Papers Series**, and **Barton Family Correspondence Series**.

The **Moore Family Correspondence Series** consists primarily of correspondence between Thomas Moore and his wife, Clara, and also includes correspondence from Thomas' father, James. Arranged chronologically, the letters regard family affairs and Thomas' service during the Civil War.

The **Moore Family Papers Series** consists of various papers other than correspondence regarding the Moore and Pilcher families, including reminiscences and genealogies. It is unknown why the Bank of Edwardsville ledger (1819-1821), the Augustin Kennerly journal (1832-1834), and the Stagg & Brother ledger (1862-1870) were in the possession of Thomas Anderson Moore. The items in this series are arranged chronologically.

The **Barton Family Correspondence Series** consists entirely of letters from various family members in Montgomery County, Missouri, to John M. Barton while he served with the 33rd Missouri Infantry during the Civil War. According to the correspondence regarding the

collection, John Barton gave his correspondence to Thomas Anderson Moore to return to his family. The letters are arranged chronologically.

The following abbreviations have been used in this inventory:

AL Autograph Letter unsigned (an unsigned letter in the hand of the author).

ALS Autograph Letter Signed (a letter entirely in the hand of and signed by the author).

AN Autograph Note unsigned (an unsigned brief or informal letter or message, often fragmentary, in the hand of the author).

ANS Autograph Note Signed (a brief or informal letter or message, often fragmentary, entirely in the hand of and signed by the author).
