

HOMESCHOOL DAYS 2011-2012

You spoke up, and we listened! It's true—not all school groups fit into the same mold. This year, we're proud to invite you to attend specialized programs designed to best serve the needs of homeschool families.

MHM Homeschool Days are completely free! All activities will be available from 10 a.m. to 2 p.m., and you can spend as much or as little time with us as you'd like. **Families interested in participating are kindly requested to RSVP by registering at mohistory.org/homeschool.** Advance registrations allow us to make sure we have enough activity materials for everyone.

We communicate information about these programs exclusively via email. Please sign up for our newsletter at mohistory.org/homeschool to make sure you stay in the loop!
